

2

2) Sheds, Section 2.76: an Architectural Improvement request must be submitted for this improvement. Materials shall be visually matching the exterior of the house and maintained in good repair. Sheds shall be screened from view by a fence and shall be located in the side or rear yard. Sheds shall not be more than eight feet, six inches high at the peak, not larger than eight feet by ten feet long. The colors of the siding, roofing and trim materials shall match the exterior of the house.

Board action between meeting:

*Approval of JBK's grounds enhancement project along Quincy.
